Contents

Introduction 9
History and evolution 9
General description and rules 10
Popularity 12
Mathematics and slots 13
The Configuration of Slot Machines 17
Configuration of the display 18
Lines in a grid 18
Particular lines in a rectangular grid 27
Horizontal lines, vertical lines, and oblique lines 29
Triangular lines 32
Trapezoidal lines 34
Zigzag lines 35
Double-stair lines 36
Examples 40
Configuration of the reel 42
Distribution of the symbols 42
Arrangement of the symbols 44
How to estimate the number of stops and the symbol distribution on a reel 45
Method 1 – Statistical observation 46
Denominator-match method 50
Method 2 – Physical measurements 58
Combinations 65
1. Combinations holding a specific symbol *S* 67
1.1 Exactly one instance of *S* 67
1.2 Exactly two instances of *S* 68
1.3 Exactly three instances of *S* 69
Generalization: Exactly *m* instances of *S* 70
2. Combinations holding two specific symbols S_1 and S_2 72
2.1 Exactly one instance of S_1 and one instance of S_2 72
2.2 Exactly two instances of S_1 and one instance of S_2 73
Generalization: Exactly k_1 instances of S_1 and k_2 instances of S_2 .. 75
2.3 Only S_1 and S_2 77
3. Combinations holding at least one of two or more specific symbols S_1 and S_2 80
4. Combinations holding any symbol in several instances 82
4.1 Any double 82
4.2 Any triple 83
Generalization: Any *k*-tuple 84
Probabilities 89

Slots gaming events 93
The general formulas of the probability of the winning events related to one payline 96
The probabilities of the winning events related to several lines 107
Winning events related to several lines 107
The inclusion-exclusion principle for probabilities 111
Approximations 114
Approximating the probability of a conjunction of slots events 117
Approximating the probability of a disjunction of slots events 123
A0 approximation 123
A1, A2, A3 approximations 125
Repeated bets and expected value 130
Expected value 130
The general formulas of EV in slots 132
Probabilities associated with repeated events in slots 141
Practical Applications and Numerical Results 147
3-reel slot machines 149
1 x 3 display 150
Probabilities of winning events on the payline 150
1. Case A – the same number of stops and symbol distribution on the reels 150
1.1 Event E_1 – A specific symbol three times 150
1.2 Event E_2 – Any symbol three times (triple) 154
1.3 Event E_3 – A specific symbol exactly twice 155
1.4 Event E_4 – Any symbol exactly twice (double) 158
1.5 Event E_5 – A specific symbol exactly once 158
1.6 Event E_6 – Any combination of two specific symbols 161
1.7 Event E_7 – Any combination of at least one of three specific symbols 167
1.8 A specific symbol at least twice 168
1.9 A specific symbol at least once 170
1.10 A specific symbol three times or another specific symbol twice 173
1.11 A specific symbol three times or another specific symbol once 179
1.12 A specific symbol three times or another specific symbol at least once 184
1.13 A specific symbol three times or any combination of that symbol with another specific symbol 190
1.14 A specific symbol twice or another specific symbol once 195
1.15 A specific symbol twice or any combination of at least one of three other specific symbols 201
2. Case B – different numbers of stops and symbol distributions on the reels 209
2.1 Event E_1 – A specific symbol three times 209

2.2 Event E_2 – Any symbol three times (triple) 212
2.3 Event E_3 – A specific symbol exactly twice 213
2.4 Event E_4 – Any symbol exactly twice (double) 216
2.5 Event E_5 – A specific symbol exactly once 217
2.6 Event E_6 – Any combination of two specific symbols 221
2.7 Event E_7 – Any combination of at least one of three specific symbols 221
2.8 A specific symbol at least twice 222
2.9 A specific symbol at least once 225
2.10 A specific symbol three times or another specific symbol twice 229
2.11 A specific symbol three times or another specific symbol once 229
2.12 A specific symbol three times or another specific symbol at least once 230
2.13 A specific symbol three times or any combination of that symbol with another specific symbol 231
2.14 A specific symbol twice or another specific symbol once 232
2.15 A specific symbol twice or any combination of at least one of three other specific symbols 232
2 x 3 and 3 x 3 display 234
5-reel slot machines 235
1 x 5 display 236
Probabilities of winning events on the payline 236
1. Case A – the same number of stops and symbol distribution on the reels 236
1.1 Event E_1 – A specific symbol five times 236
1.2 Event E_2 – Any symbol five times (quintet) 239
1.3 Event E_3 – A specific symbol exactly four times 239
1.4 Event E_4 – Any symbol exactly four times (quadruple) ... 242
1.5 Event E_5 – A specific symbol exactly three times 242
1.6 Event E_6 – Any symbol exactly three times (triple) 245
1.7 Event E_7 – Any combination of two specific symbols 245
1.8 Event E_8 – Any combination of at least one of three specific symbols 251
1.9 A specific symbol at least four times 251
1.10 A specific symbol at least three times 254
1.11 A specific symbol five times or another specific symbol four times 256
1.12 A specific symbol five times or another specific symbol three times 262
1.13 A specific symbol five times or another specific symbol at least four times 267

1.14 A specific symbol five times or any combination of that symbol with another specific symbol 272
1.15 A specific symbol four times or any combination of at least one of three other specific symbols 278
2. Case B – different numbers of stops and symbol distributions on the reels 285
2.1 Event E_1 – A specific symbol five times 285
2.2 Event E_2 – Any symbol five times (quintet) 287
2.3 Event E_3 – A specific symbol exactly four times 288
2.4 Event E_4 – Any symbol exactly four times (quadruple) ... 290
2.5 Event E_5 – A specific symbol exactly three times 291
2.6 Event E_6 – Any symbol exactly three times (triple) 293
2.7 Event E_7 – Any combination of two specific symbols 294
2.8 Event E_8 – Any combination of at least one of three specific symbols 294
2.9 A specific symbol at least four times 295
2.10 A specific symbol at least three times 297
2.11 A specific symbol five times or another specific symbol four times 300
2.12 A specific symbol five times or another specific symbol three times 300
2.13 A specific symbol five times or another specific symbol at least four times 301
2.14 A specific symbol five times or any combination of that symbol with another specific symbol 301
2.15 A specific symbol four times or any combination of at least one of three other specific symbols 301
2 x 5, 3 x 5, 4 x 5, 5 x 5 display 302
9-reel slot machines 304
Probabilities of winning events on several paylines 305
1. Case A – the same number of stops and symbol distribution on the reels 305
1.1 A winning event on any of the horizontal lines 305
1.2 A winning event on any of the vertical lines 305
1.3 A winning event on any of the horizontal or vertical lines ... 306
1.4 A winning event on either or both of the diagonal lines 306
1.5 A winning event on any of the horizontal or diagonal lines . 307
1.6 A winning event on any of the vertical or diagonal lines 307
1.7 A winning event on any of the horizontal, vertical, or diagonal lines 307
2. Case B – different numbers of stops and symbol distributions on the reel 311
2.1 A winning event on any of the horizontal lines 312
2.2 A winning event on any of the vertical lines 312
2.3 A winning event on any of the horizontal or vertical lines ... 312

2.4 A winning event on either or both of the diagonal lines 313
2.5 A winning event on any of the horizontal or diagonal lines . 313
2.6 A winning event on any of the vertical or diagonal lines 313
2.7 A winning event on any of the horizontal, vertical, or diagonal lines 314
16-reel slot machines 316
Probabilities of winning events on one payline 317
1. Case A – the same number of stops and symbol distribution on the reels 317
1.1 Event E_1 – A specific symbol four times 317
1.2 Event E_2 – Any symbol four times (quadruple) 320
1.3 Event E_3 – A specific symbol exactly three times 320
1.4 Event E_4 – Any symbol exactly three times (triple) 323
1.5 Event E_5 – Any combination of two specific symbols 323
1.6 Event E_6 – Any combination of at least one of three specific symbols 329
1.7 A specific symbol at least three times 329
1.8 A specific symbol four times or another specific symbol three times 332
1.9 A specific symbol four times or another specific symbol at least three times 337
1.10 A specific symbol four times or any combination of that symbol with another specific symbol 342
1.11 A specific symbol three times or any combination of at least one of three other specific symbols 348
2. Case B – different numbers of stops and symbol distributions on the reel 355
2.1 Event E_1 – A specific symbol four times 355
2.2 Event E_2 – Any symbol four times (quadruple) 355
2.3 Event E_3 – A specific symbol exactly three times 355
2.4 Event E_4 – Any symbol exactly three times (triple) 355
2.5 Event E_5 – Any combination of two specific symbols 356
2.6 Event E_6 – Any combination of at least one of three specific symbols 356
2.7 A specific symbol at least three times 356
2.8 A specific symbol four times or another specific symbol three times 356
2.9 A specific symbol four times or another specific symbol at least three times 357
2.10 A specific symbol four times or any combination of that symbol with another specific symbol 357
2.11 A specific symbol three times or any combination of at least one of three other specific symbols 357
Probabilities of winning events on several paylines 358

1. Case A – the same number of stops and symbol distribution on the reels 358
1.1 A winning event on any of the horizontal lines 358
1.2 A winning event on any of the vertical lines 358
1.3 A winning event on any of the horizontal or vertical lines ... 358
1.4 A winning event on either or both of the diagonals 358
1.5 A winning event on any of the horizontal or diagonal lines . 359
1.6 A winning event on any of the vertical or diagonal lines 359
1.7 A winning event on any of the horizontal, vertical, or diagonal lines 359
1.8 A winning event on any of the left-right trapezoidal lines 359
1.9 A winning event on any of the horizontal or left-right trapezoidal lines 359
